**Vocations Corner**

"Though I was raised in a Catholic family and blessed with good priests throughout my life, the priesthood did not attract me when I was young. In fact, during college, I didn't even practice the faith. The Lord eventually led me back to the church, and when he began to call me to the priesthood, I was both terrified and excited. He was asking me to sacrifice my will and to trust and follow him. This meant breaking up with the girl I was dating and placing my desires for fatherhood and family into his hands. Had I been called when I was younger, I wouldn't have been mature enough in my faith to answer with the generosity and trust that led me to the priesthood."

Father Jonathan Schnobrich, Diocese of Burlington, Vt. *Columbia Magazine, October 2020*
