Vocations Corner
 My parents gave me and my siblings a joyful and loving childhood where the beauty of the Catholic faith shone brightly. They sent us to a school in Madrid operated by the Sisters of the Company of the Savior, whose charism is to cooperate with parents by providing a strong education in a faithful Catholic environment. The joy, devotion and dedication of the sisters immediately attracted me. During my last years of high school and my first year of college, I was tempted by new experiences and friendships based on different ideals than those of my youth. It was Mary who opened my eyes to see deeper. She brought me back to the heart of Jesus. Eventually, I embraced his loving call to be only his and joined the Sisters of the Company of the Savior.
