Vocations Corner

"I was born in El Salvador and came to the United States when I was 12. My family faced many challenges: civil war, immigration, a new language, and culture. Our faith held us together and provided solace during the hard times. After I was confirmed in 2011, I felt a deeper call to be active in the church.

One evening, I went out to measure a building for my job with an insurance company...and I got lost. Turning into another building, I went inside, where a receptionist welcomed me to Holy Trinity Seminary. I knew I couldn't keep running from my desire to give more. I...entered seminary that summer. Being embraced by divine providence in my call to priesthood and through all the challenges of my life allows me to cry out with confidence: Viva Cristo Rey!
