Vocations Corner Sr. Maris Stella once served her country. She began her Navy career at Annapolis. Her initial assignment was as a gunnery officer on a destroyer off the coast of South America. “I served in the Navy, and I tasted many of the good things that this world has to offer but I knew my heart was made for something more. When I met the Sisters of Life, it was everything in my heart being lived out in a joyful way...offering support and resources to pregnant women and mothers and helping women who suffer after abortion.” She entered the Sisters of Life in 2006 and in 2015, she moved to Denver to start a new convent “because women in college are very vulnerable...”
