**Respect Life Corner**  
 “Radical solidarity compels us to come alongside vulnerable mothers in profound friendship, compassion, and support for both them and their preborn children. It requires us to address the fundamental challenges that lead an expectant mother to believe she is unable to welcome the child God has entrusted to her. We must do all we can to provide mothers, children, and families with the support they need to flourish. This cannot be accomplished by laws or policy alone, but requires the continual transformation of our own hearts, recognizing in every person the face of Christ, and placing their needs before our own.”  
 USCCB Secretariat of Pro-Life Activities,

**Vocations Corner**  
 Mother's Day – what a wonderful commemoration of one of the greatest vocations there is. We are inspired by the example of Mary, the Mother of God, to live by the words from the Cana feast “Do whatever He tells you”. We pray for all our Mothers today and for the families they form, nurture and love. We also ponder our own “FIAT” – our surrendering to God's plan for us.
