**Join Catholic Relief Services on Call Congress Day May 21, 2024**

Federal programs that fund CRS to teach global farmers skills to adapt to drought and other weather challenges are at risk of being eliminated from the upcoming Farm Bill if provisions of a bill called The American Farmers Feed the World Act are included. While claiming to allow more commodities to be purchased from U.S. farmers, the high shipping costs in the bill would actually reduce the amount of U.S. farm commodities that could be purchased. **Text Call Congress to 677-68 to receive a script and to be automatically connected or call 833-844-6258 with this**

**message:** This is \_\_\_Name\_\_\_ from \_\_\_\_. I am a constituent and a Catholic who cares about hungry children and families around the world. Please protect international food assistance programs in the upcoming Farm Bill, especially the non-emergency development programming in the Food for Peace Title II program.

**Vocations Corner**

“I was on a cattle drive in the Sawtooth Mountains of Wyoming when I heard God calling me to the priesthood: ‘You’re moving the wrong herd.’ After years of running away from his divine will, I knew that God had finally caught up with me. My running started when I enlisted in the Army serving five years as a ‘grunt’ in the airborne infantry. I then worked in construction, where I noticed that I had a gift for talking to other contractors about God. I enrolled at Franciscan University of Steubenville, where I fell deeper in love with Jesus, the Eucharist, the Blessed Virgin Mary, and mission work. I served the homeless in the Bronx, brought mercy to prostitutes in Chicago and evangelized souls in Honduras. Still, I was afraid to say ‘yes’ to the collar. After graduation, I ran to Wyoming to hide. Now, I thank God that he never stopped pursuing me.”
