**Vocation Corner**

“Growing up, I had a lot of misconceptions about nuns. Primarily, I assumed women became nuns only if they couldn’t find a boyfriend. Why else would a woman give up the joys – marriage and family – as celibate priests, with none of the “superpowers”? Then, in college, I actually *met* nuns and I was stunned. They were beautiful! And smart! And had personalities! I opened the door of my heart. Not much – just a crack. But it was a crack big enough for Jesus to get his toe in and open it a lot wider. I often recalled the words of my spiritual director: “We all have a natural call to marriage, but some of us have a supernatural call to celibacy.” My desire for a spouse helps me lean into Christ as my Bridegroom. And my desire for children molds me into a spiritual mother to many more children than I could otherwise have.”
