Enough to Share. So much in the gospel today. Large crowd following Jesus. Nearness of Passover, the remembering of rescue from slavery. The need to eat, thus, the need to provide a meal. A giving of bread and fish by a little boy. Bounty. Sharing. Wasting nothing. Even if it seems I may not have enough, what food can I share?

- Even if it seems I may not have enough, what comfort can I provide for someone?
- Even if it seems I may not have enough, what do I have that I will not waste, that I will gather up, save, and recycle?

Vocation Corner. Today’s miracle of the fishes and loaves is a powerful message for all of us. The Lord challenges our faith to know that, through Him, all things are possible. Jesus takes a “little” and makes it “a lot”. He calls us, through this example, to “feed his people”. We might think we are too “little” to handle these things but He can make it “a lot” if we respond. Encourage those around you to consider being one those who will “feed the people” and the Lord work his miracle in us.
